Lamledge
School

Welcome

I am delighted to welcome you to Lamledge School, a nurturing and inclusive environment dedicated to supporting children with social, emotional, and mental health (SEMH) needs. Our school is a place where every child is valued, understood, and given the opportunity to flourish both academically and personally.

At Lamledge School, we understand the unique challenges that our students face. Our mission is to provide a safe, supportive, and stimulating environment where your child can thrive. Our dedicated team of teachers, therapists, and support staff work collaboratively to create learning plans tailored to meet each child's specific needs, ensuring they are given the opportunities to succeed that they deserve.

Our curriculum is designed not only to meet academic standards but also to foster social skills, emotional resilience, and self-confidence. We offer a variety of programs and activities that encourage creativity, physical fitness, and personal growth. Through these experiences, we aim to help our students build positive relationships, develop coping strategies, and achieve their full potential.

I look forward to getting to know you and your child and to working together to make the journey here a positive and rewarding experience.

Lamledge School

Our Values

At Lamledge School we share a key set of values that are agreed and promoted by the whole school and are reinforced through our teaching and learning.

These values are:

- Respect for ourselves and everyone around us
- Self-awareness and Resilience
- Honesty and fairness
- Consideration and Cooperation
- Reparation and moving on
- Equality of opportunity and Adaptability

Our Rights

Everyone in the school community has rights based on our aims and ethos and these have been further informed through the United Nations Convention on the Rights of the Child. (UNCRC)

These rights are:

- To be safe
- To be heard
- To have beliefs
- To receive support
- To be treated with respect and dignity
- To learn/teach

Our School Expectations

We respect that everyone has the right to feel safe emotionally and physically.

- We treat others kindly and with respect
- We take care of property and the school building.
- We enable everyone to learn, including ourselves.
- We are always in the right place at the right time.

Lamledge School Merit Points

Lamledge Merit Points-Lessons

1 point for each school expectation

1. We respect that everyone has the right to feel safe emotionally and physically.
2. We treat others kindly and with respect
3. We take care of property and the school building
4. We enable everyone to learn, including ourselves.
5. We are always in the right place at the right time.

Lamledge Merit Points -Social Times

1 point for each school expectation

1. We respect that everyone has the right to feel safe emotionally and physically.
2. We treat others kindly and with respect
3. We take care of property and the school building
4. We are always in the right place at the right time.

Lamledge Merit Points -Special Awards

5- Merit Points-**Good Citizen Award**-You have been spotted showing brilliant citizenship as part of our school community

5 -Merit Points-**Wow Moment**-You have been spotted completing exceptional work, or

5- Merit Points-**Pastoral and Senior leadership Award**-Your conduct or work has been noted by the Pastoral or Senior leadership Team as deserving recognition.

On page 6 you will see how students can spend their merits.

Sleuth Shop

What happens when students have collected their hard earned Merits?

This is where our Sleuth Shop comes in. Every Friday we transform our pastoral office into a shop where the only currency accepted is merits.

The shop is student led so they have a say in what we stock and they can save their merits for bigger incentives if they wish. The pastoral tickets are based on the things our students ask for the most.

30 Lucky Dip!

500 Small Prize

100 Pick n Mix

800 Medium Prize

250 Snacks & Drink

1500 Large Prize/Pastoral Ticket

Pastoral Tickets

FIFA Afternoon with snacks and a friend

Trip to co-op and spending money

Trip to Starbucks with a staff member

Hair or nail treatment with a staff member

Film afternoon with snacks and a friend

Walk into Shifnal with a staff member and spending money

Our Careers Programme

At Lamledge School, we are dedicated to providing every student with meaningful exposure to a variety of industries, aligning with their interests and aspirations. Our commitment to laying a strong foundation for their future careers is guided by the 8 Gatsby Benchmarks, which serve as the cornerstone of our career education programme.

The 8 Gatsby Benchmarks

A stable career programme

Learning from careers and labour market information

Addressing the needs of each student

Linking curriculum learning to careers

Encounters with employers and employees

Experiences of workplaces

Encounters with further and higher education

Personal guidance.

CAREERS EDUCATION IN EACH SCHOOL YEAR

Primary Students

The focus will be on understanding stereotyping within career roles. Students will receive visits from and to employers and charities. The careers lead will attend lessons and produce a careers-based work booklet.

Year 7

The focus is about introducing careers and thinking about the vast number of careers/jobs available. How a business runs, qualities and skills that employers look for as well as and rights and responsibilities in the world of work.

Year 8

The focus is linking our plans and dreams to reality. Identifying a support network when considering careers and recognising health and safety risks.

Year 9

The focus is self-assessment, considering own strengths, stereotyping and discrimination as well as career paths and options post 14.

Year 10

The focus is work experience including preparation, implementation, and evaluation; this can be used as part of the Duke of Edinburgh Award curriculum.

Not all students undertake work experience outside school due to their vulnerability and increased risk. Many will undertake work experience within the school, and this can be part of project work in vocational subjects. Some students will take on voluntary work which is supported by care homes. All work experience placements are assessed by Shropshire and Telford and Wrekin EBL with regards to suitability and health and safety.

Year 11+

The focus is on Post 16 options and the Application process. There will be visits to other educational/training providers, places of work, career fairs, apprenticeship shows and job centres and business enterprise specialists.

Our therapeutic offer

Trauma Informed Practice

Lamledge School is committed to fostering a trauma-informed environment, recognising the profound impact that trauma can have on a student's ability to learn and thrive. Our staff are trained to identify and support students who have experienced trauma, ensuring a safe and nurturing atmosphere where every child can feel secure and valued. This commitment to understanding and addressing the effects of trauma is integrated into all aspects of our educational approach, from classroom management to individualised support.

The language we use is key to being trauma informed. Language has the power to place blame on individuals and reinforce their negative self-concept (e.g. I'm bad and unlovable) as opposed to thinking about the wider context.

Our Facilities

Our clinical team can deliver lots of different interventions. We have art therapists, occupational health therapists, psychotherapists and speech & language therapists.

We have a therapy suite where we do 1:1 and group therapy.

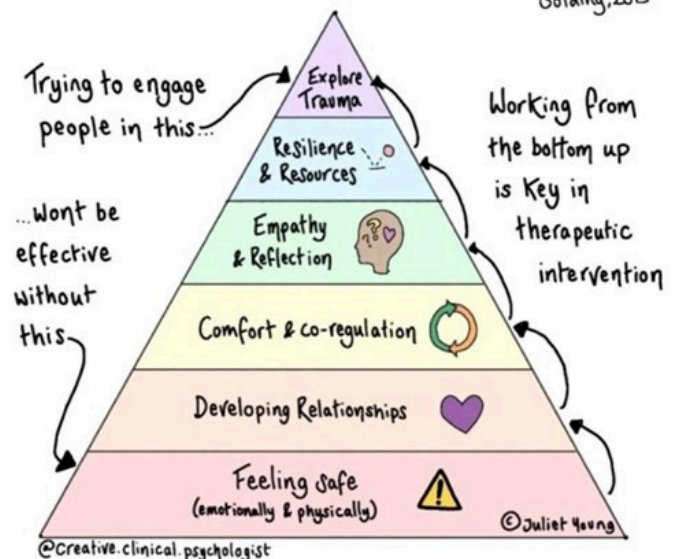

Creating a Positive and Trauma Informed Culture

Create safety in communication – courageous conversations!	Build trust & establish boundaries	Positive Communication Skills
Establish a common ground	Encourage empathy & acknowledge emotions	Use a structured approach - mediation
Attitude of collaboration & curiosity	Create time, follow up and reflection	Continuous learning culture – black box culture

Therapeutic Needs Hierarchy

Golding, 2015
